# Webinar: Meeting Students' Needs through Increased Learning Time

What does the research say about the effectiveness of increased learning time (ILT) models, including out-of-school programs, summer schools, expanded learning time schools, and year-round schools?

What should educators keep in mind when implementing ILT programs in their schools and districts?

## Learn about:

- The REL Appalachia report, *The Effects of Increased Learning Time on Students' Academic and Non-Academic Outcomes*.
- Resources to tailor ILT programming to the needs of specific students.
- How to use the IES Practice Guide, *Structuring Out-of-School Time to Improve Academic Achievement*.
- Lessons learned in implementing ILT programs from The National Center on Time & Learning and the Virginia Partnership for Out-of-School Time (VPOST).
